ENEMY VISITOR

THE VISITOR KEEPS HIS TRUE IDENTITY
HIDDEN BEHIND A HUMAN FACE.
UNMASK HIM AND REVEAL THE
LIZARD CREATURE!

The Human Mask is worn
whenever you want to dis-
guise the visitor's true
identity. To remove the
Mask, grasp one corner
between your thumb and
forefinger and gently pull
off.

To make the visitor's
tongue move in and out,
push the Hidden Button
on his back.

V ENEMY VISITOR

If you grew up in the 80s, like we did, you might have watched a TV series called "V". And like us, you might have been disappointed that they never actually released a 3.75 inch toy line.

In tribute to and celebration of a favourite series from our childhoods we have produced this very limited run of figurines to portray what the toys might have looked like if they were ever made in this scale. Enjoy!
